Cumbria is being hit by bizarre weather including: Snow, Hail, Strong Winds, Thunder and Lightning, all at the same time.

Driving conditions are drastically becoming more dangerous as the hail and snow continues to fall.

Cumbria Police are currently dealing with several incidents and are warning drivers to take care on the road and drive to the conditions.

We advise that you only travel if absolutely necessary.

Several people have been in touch to say the blizzard conditions and snowy hills are a "death trap" and an accident waiting to happen.

Cumbria Highways: All routes being treated at various times throughout today and overnight.

A yellow weather warning for snow and ice has been issued by the Met Office and is in force until 12 noon on Monday (12th).

Heavy hail and snow showers are expected during Monday morning and will lead to ice and snow accumulating on many surfaces.
