

Lynwood Day Nursery raise money for charity close to their hearts

Posted by [HuddleHub](#) / 05 - November - 2018

Staff and children from Lynwood Day Nursery have been raising money and awareness for a charity close to their hearts.

Ezra who attends the Lynwood was diagnosed with retinoblastoma in January 2016 at 14 weeks old. He has had to undergo laser treatment under general anaesthetic and 6 months of chemo under the care of Birmingham childrens hospital and Manchester childrens hospital.

To raise the funds the nursery have had a cake sale with the children baking and decorating cakes and biscuits, our cancer sucks game where you choose a lolly and depending on the colour of the stick depends on the price.

The children took part in a sponsored walk with children aged 2-4, walking from nursery to Barrow Island Rugby Club then down to Rating Lane Park for a play.

Well done to the staff and children at Lynwood Day Nursery who so far have raised 608.05 with more sponsor money still to come!

We currently have spaces for children Monday to Friday for over 2s and have baby room spaces from January. Contact number is 01229 821998
